

TRAVEL RISK & INSURANCE PROTECTION | BERKLEY SPECIAL RISK

THE CASE FOR COVERAGE

Traveling for business or pleasure often increases the risk of unexpected disruptions, accidental injuries and illnesses. Risks can range from the inconvenience of a weather-related flight cancellation, to a medical emergency, to more catastrophic events such as train derailments, natural disasters and terrorist attacks. When the unexpected occurs, travelers need immediate assistance as well as valuable insurance coverage to help defray the cost of medical care and other emergency services. Sponsoring organizations, employers and schools need comprehensive and simple solutions to protect the well-being and the security of their travelers.

HOW WE MEET YOUR NEEDS

Global perspective with real-time access to medical and security assistance

Customized plan designs can be tailored to meet the specific needs of employee segments traveling domestically and abroad

Complementary benefits that can enhance existing workers compensation insurance by providing evacuation, and emergency medical assistance for employees while traveling

High-limit group coverage for employers who offer Business Travel Accident Insurance to their employees that pays benefits directly to employees or to their designated beneficiary if they are injured as a result of a covered accident while traveling on business

24/7 travel assistance services offers a range of benefits including passport replacement, pre-trip information and emergency medical evacuation

TRAVEL RISK MANAGEMENT & ASSISTANCE SERVICES

We complement our affordable, high-limit travel accident coverage with a proactive and holistic approach to travel risk management through our partnership with Europ Assistance. Europ Assistance has 35 assistance centers strategically located and staffed with multilingual assistance coordinators, case managers, and medical staff. Assistance services are available on a 24/7/365 basis, and are coordinated with our dedicated claims group to ensure seamless claim handling, no matter where a loss occurs.

Travelers have access to a client-only website that provides information and tools to support them before and during trips. Mobile optimized, the site can be accessed on any device using iOS, Android or Windows operating system. The site integrates risk intelligence, comprehensive tools and a personalized user experience providing travelers with:

- Country and City Risk Ratings & Profiles
- Health, Medical, Safety & Security Reports
- News & Real-Time Security Alerts
- Medical Provider Search, Contact Info & Provider Reviews
- Advice on Business Conduct, Transportation, Holidays, Currency Exchange Rates, etc.
