Look What's New For You! From Our Partner LIG Marine Managers

LIG's focus is on larger Commercial Marine risks, where we excel at customized solutions for the larger and more complex Marine operations by offering programs that include USL&H coverage, Marine Packages, and Umbrella lines. Our "sweet spot" is in serving middle-market sized Commercial Marine accounts, where we can provide these coverages to meet their size and needs.

LIG's "Core" business and target classes include:

- Marine contractors of all types
- Commercial shipyards and the independent/subcontractors working at various yards
- Marine labor providers
- Port operations, such as stevedores and cargo terminals
- Most types of commercial vessels including larger passenger-carrying boats/fleets
- Large commercial diving and dredging companies

LIG's Package Solutions for YOUR Marine Clients:

- **USL&H / Maritime Employers Liability**
- **Marine Lines**

Bundle your marine clients' Third Party Liabilities into one program:

Marine CGL / Ship Repairers Legal Liability / Terminal Operators / Stevedores Legal Liability / Protection & Indemnity / Hull / Equipment
