

PRODUCT MANUFACTURERS & DISTRIBUTORS

Westchester's Product Manufacturers & Distributors pollution liability policy covers third-party claims resulting from pollution conditions arising from the insured's product, and includes coverage for: bodily injury liability, property damage liability, and cleanup costs. It is available as a stand-alone policy, or in a combined package with other coverages, including: general liability, contractor's pollution liability, and premises pollution liability. It features the option of either claims-made or occurrence coverage, and multiple products and manufacturing locations may be included on one policy. Additional coverages are available, including: primary commercial auto and follow form excess.
